

NOTICE TO ARCHITECTS / ENGINEERS

The State of Utah - Division of Facilities Construction and Management (DFCM) is soliciting the services of qualified firms/individuals to perform design services for the following project:

CENTRAL CHILLER REPLACEMENT
DIXIE STATE COLLEGE, ST GEORGE, UTAH
DFCM PROJECT NO. 04035640

This project is to replace an existing 556 ton chiller with an 800-1000 ton chiller located in the central cooling plant. There will be piping replacement in the tunnels to increase the size of piping in some locations. This will also require electrical upgrades to provide adequate power for the new chiller. Construction budget for this project is \$702,000.

The selection shall be under the Value Based Selection method. The Solicitation for Consultants (SFC) documents, including the submittal requirements and the selection criteria and schedule, will be available beginning on May 10, 2004 from DFCM at the State Office Building - Room 4110, Salt Lake City, Utah 84114 and on the DFCM web site at <http://dfcm.utah.gov>. For questions regarding this solicitation, please contact Craig Wessman, DFCM, at (801) 538-3246. No others are to be contacted regarding this solicitation.

A MANDATORY pre-submittal meeting will be held at 10:00 AM on Friday, May 21, 2004 at the Central Plant. All design firms wishing to submit on this project must attend this meeting.

Submittal dates for the required references, management plans, statements of qualifications, and interviews will be based on the Project Schedule included in the SFC

The Division of Facilities Construction & Management reserves the right to reject any or all submittals or to waive any formality or technicality in any submittal in the interest of the State.
